

**Member of the
Committee for Risk Assessment (RAC)**

1. General Information

Name: MANUSADŽIANAS Levonas

Ms / Mr

Appointed by ECHA Management Board, nominated by Lithuania

Nationality: Lithuanian

2. Education

Diploma (Solid State Physics) from the Faculty of Physics at Vilnius University (1976)

PhD (biophysics) from the Faculty of Biology at Moscow State University (1985)

3. Relevant Employment

Present employment	Chief Researcher, Laboratory of Ecotoxicology, Nature Research Centre, Vilnius
Previous relevant employment	1979 – 2023: Institute of Botany/Nature Research Centre Apr – Sept 2004: Okayama University, IBR Kurashiki, Japan Mar – May 2008: Paule Verlaine University, Metz, France

4. Relevant fields of in-depth expertise

Area of expertise	Description
Ecotoxicology	Aquatic, sediment and soil compartments
Environmental fate and behaviour	Test method development and implementation in the laboratory to address specific (environmental) information needs
Chemistry	Interaction of the test results of physico-chemical properties with toxicological/ecotoxicological studies
Other	Whole effluent assessment; phytotoxicity.

5. Membership of relevant professional bodies

- Scientific Committee of International Symposium on Toxicity Assessment (ISTA)
- Lithuanian Society of Plant Physiology
- Expert of the Technical Committee (LST TK 36, Environmental Protection) at Lithuanian Standards Board
- Expert of the Research Council of Lithuania, Lithuanian Agency for Science, Innovation and Technology

6. Other Relevant Information
